

NOVA SCOTIA STICK CURLING COMPETITIVE LEAGUE  
BRONZE SPONSORSHIP PROPOSAL

The Nova Scotia Stick Curling Competitive League (NSSCCL) is a sixteen (16) team league of female and open division stick curlers. The competitive league provides high level competition for stick curlers who will compete in the provincial, maritime and national championships. The league holds four tournaments a year at four different Nova Scotia rinks. Trophies will be awarded to Women's Division, Open Division and Overall champions.

Stick curlers skew to an older demographic as the sport is a means to extend curling careers, and continue to compete, while staying fit and active.

The NSSCCL is expanding again this year and will assess the feasibility of expanding in the near future to include Maritime Province play. The NSSCCL is looking for sponsorship funds to help cover ice rental costs and promotional activities.

A Bronze sponsorship is \$500.

The sponsorship package includes:

- 1) Recognition as a sponsor
  - a. On the NSSCA website in two locations
  - b. Verbally at the competitive league tournaments
  - c. On stand-alone signage at all of the competitive league tournaments
  - d. In appropriate "Thank You" posts on social media

I am willing to tailor a proposal to meet your specific sponsor needs.
