

September 15, 2021

There has been a lot happening at the national level in the past few months:

National championship:

Moncton, NB April 22-25

Open & Women divisions

\$160 / team – 5 game guarantee

Demonstration Doubles April 26

\$60 / team

CSCA has modernized its governance structure and incorporated with a five-person executive committee plus provincial representatives. Your NSSCA chair, Bruce Densmore, is a CSCA executive member.

Committees have been formed and your chair and vice-chair (Betty Mattson) worked on the championship and rules committees that produced recommendations subsequently approved by the CSCA Board.

By-laws and a constitution have been created for the CSCA.

CIBC Wood Gundy has signed on as a national sponsor.

The NSSCA is working on a stick curling brochure to be used nationally.

Curling Canada will be voting on an affiliate membership for the CSCA this fall. We are optimistic that it will be a positive vote.
