CANADIAN CHAMPIONS

BETTY MATTSON & AUDREY DOREY

Betty Mattson and Audrey Dorey of the Wolfville Curling Club won the women's division of the Canadian Stick Curling National Championship held in Moncton New Brunswick April 22-25, 2022.

The championship featured teams from nine provinces with twenty-seven teams registered in the Open division and eight teams registered in the Women's division. Mattson / Dorey were one of four Nova Scotia teams competing and the only female team from Nova Scotia.

They overcame an 0-3 start to then go undefeated through the remainder of the round robin and championship play. They won the championship on the final shot of an extra end to defeat Hughes / Reid of Prince Edward Island in an exciting back and forth battle.

Nova Scotia brought home a second medal from the Canadian Championship. Bronze Open Division, Dave MacDougall & Paul Doucet

This was a great showing from our Nova Scotia curlers!

NOVA SCOTIA CHAMPIONS

The NS Stick Curling Provincial Championship was held at the Wolfville CC March 17-20. Thirty-four teams from eight clubs participated.

The winner of the CIBC Wood Gundy trophy (Women's Division):
 Gold, Pauline Bullerwell & Diane Mallinson, Yarmouth Curling Club
 Silver, Penny LaRocque & Virginia Jackson, Lakeshore Curling Club
 Bronze, Donalda Buckingham & Anne Blandford, Bluenose Curling Club

The winner of the Hubert Sullivan trophy (Men's Division):
 Dave MacDougal & Paul Doucet, Yarmouth Curling Club
 Silver, John Marshall & Haylett Clarke, Bluenose Curling Club
 Bronze, Robert Simpson & Leonard Marshall, Bluenose Curling Club.

Our thanks to NSCA, the Bluenose CC and Wolfville CC for their flexibility that allowed the provincial championship to happen as we maneuvered through health restrictions.

XPLORNET agreed to sponsor the Mixed Stick Provincial Championship that was scheduled for the end of February. There was lots of interest but unfortunately, it had to be cancelled due to health restrictions. Looking forward to holding it next year.

CLINICS, CLINICS, CLINICS!

Despite the covid interruptions, our NSSCA instructor group offered six clinics this past season. Clinics were held in Antigonish, Baddeck, Amherst, Bridgewater, Berwick and Wolfville. Interest for clinics in 2022-2023 has already been expressed by Barrington, Kentville, Lakeshore and Amherst so another busy season ahead of us. We also hope to introduce a “Strategy / Theory” clinic in 2022-2023. Thanks to Sport NS and NSCA for sponsoring our clinics and supporting our stick curling development efforts.

INTER-CLUB LEAGUES

Congratulations to the Pictou County Inter-Club League for their first year of play. The fifteen team league consists of six teams from Bluenose CC, six teams from Stellarton and three teams from Westville. Reports suggest that it was a fun and a competitive league to play in.

Halifax Metro Inter-club Stick Curling League

Thanks to Kim Whytock's HERCULEAN effort this league played its third season. It was the best and most competitive yet. Fourteen teams from Halifax, Dartmouth, Lakeshore and Mayflower curling clubs were evenly matched ensuring weekly outcomes were as unpredictable as our Covid responsive scheduling and sudden end to play. Co-Champion teams were declared this year: Colin Campbell & Bill Milberry and Penny Larocque & Peter Boudreau.

[If you are considering setting up an inter-club league in your area, the NSSCA is here to assist you in your efforts.](#)

COMPETITIVE LEAGUE

The sixteen team NS Stick Curling Competitive League managed to hold three of its planned four events this year. The divisional championship was held at the Bridgewater CC. The winners of the Baker Tilly trophy Men's Division were,
Gold, John Marshall & Haylett Clarke
Silver went to Bruce Densmore & Peter Boudreau,
Bronze, Leith Orr & Chris Donnachie

Women's Division

Gold, Nancy McConnery & Marilyn Neily,
Silver, Penny LaRocque & Virginia Jackson
Bronze, Judy Power & Joan MacKinnon

Unfortunately, the overall championship could not be held due to health restrictions so the Ron Crowe trophy will not be awarded this year.
